

Mini-Marathon 425

Quiet, Lightweight
Self-Contained
Carpet Extractor

Clean Small Areas
Faster and Easier.

Professional Results in a Small Package

Whether you are a certified carpet technician or a residential home owner, Tornado's Mini-Marathon 425 delivers professional carpet cleaning results in a small, easy-to-use package. You can productively clean and freshen up your carpet surfaces in less time with this powerful, lightweight and easy-to-maneuver four gallon extractor.

Power and Durability

Made of rugged rotationally molded polyethylene tanks and frame, the Mini-Marathon is built to withstand the rigors of harsh cleaning environments in both commercial and residential settings. With a 2-stage, 1.6 hp motor, the Mini-Marathon delivers a powerful 112 cfm and 107" waterlift. This machine boasts a multi-layered filtering system, protecting both the solution tank and the pump from debris and clogs.

Tools to Fit Your Needs

You can add optional hoses and hand tools to the Mini-Marathon, ideal for cleaning upholstery, stairs, car interiors, boats and just about any small space.

Convenient Use

The Mini-Marathon is easy to use, featuring a lift-off recovery tank for trouble-free emptying and rinsing. The 4.25 solution and 4 gallon recovery tank are the perfect sizes for cleaning small carpeted areas, hotel rooms, offices and apartments. For enhanced operator comfort, the handle is fully adjustable to fit the height of the operator and provides simple one-button solution activation. The handle also folds over the machine for compact storage and easy transport in any type of vehicle, making it the perfect rental machine. What's more, the Mini-Marathon 425 has large 8" non-marking wheels for easy transport and maneuverability up and down stairs.

Versatility

The Mini-Marathon small-area carpet extractor can be used in a variety of environments including:

- Automobiles
- Commercial buildings
- Hotels
- Hospitals
- Residential homes or apartment buildings
- Rental sector, and more.

And it's only from Tornado.

Mini-Marathon 425. Quiet, Lightweight Self-Contained Carpet Extractor

- Comfort grip and adjustable handle that folds down for easy transport in any vehicle.

MINI-MARATHON 425

Easy Access to Clean Water Tank

Easy-pour and access tank makes filling and cleaning the machine a breeze.

Site Tube

The site tube at the rear of the machine allows the operator to easily see how much clean water/solution remains. The tube also allows for easy evacuation of any remaining unused water/solution.

Multi-Layered Filtering System

The filtering system includes two pre-filters, one for the solution tank and the other for the pump, delivering enhanced protection from debris and clogs.
